To whom it may concern,

As is my right under the San Francisco Sunshine Ordinance, I request the following records.

- 1) For as long as electronic records have been created until February 28, 2018, I request the dates, times and unique record IDs of all reports to SFPD dispatch in which an officer reported to dispatch that a person appeared to be dead, or was in respiratory or cardiac arrest.
- 2) For as long as electronic records have been created until February 28, 2018, I request the dates, times and unique record IDs of all reports to SFPD dispatch in which a paramedic or someone else with the authority to pronounce a death informed dispatch that a death had been pronounced.

I understand there is no fee, other than the cost of electronic media which I will provide and mail to you.

Sincerely yours,

Patrick Roddie
