To whom it may concern,

As is my right under the San Francisco Sunshine Ordinance, I request the following records.

1) For as long as electronic records have been created until February 28, 2018, I request the dates, times and record numbers (Computer Aided Dispatch number or similar) of all incoming calls to the San Francisco 911 system in which the caller reported a medical emergency and a first responder was dispatched to the incident.

2) For as long as electronic records have been created until February 28, 2018, I request the dates, times and record numbers (Computer Aided Dispatch number or similar) of all incoming calls to the San Francisco 911 system in which the caller reported that a person or persons appeared to be dead, was not breathing or whose heart appeared to have stopped.

I understand there is no fee, other than the cost of electronic media which I will provide and mail to you.

Sincerely yours,

Patrick Roddie
